SWATHI K S

QA Automation Engineer | Playwright | TypeScript | JavaScript | API Automation | CI/CD
Bengaluru, India | +91-7483451015 | swathishekarks@gmail.com | LinkedIn: linkedin.com/in/ksswathi

PROFESSIONAL SUMMARY

QA Automation Engineer with **2+ years of experience in automation and manual testing** across enterprise **web applications, APIs, integrations, and end-to-end business workflows**. Experienced in building **Playwright automation frameworks from scratch using TypeScript and JavaScript**, implementing **Page Object Model (POM)**, **automating REST APIs, and integrating test execution into GitLab/GitHub CI/CD pipelines**. Skilled in **Agile delivery, Jira, Zephyr Scale, Salesforce testing, defect management**, and stakeholder collaboration.

TECHNICAL SKILLS

Automation: UI Automation, Playwright (TypeScript, JavaScript), Selenium WebDriver, POM, Data-Driven Frameworks
API Testing: REST APIs, APIRequestContext, Postman, Bruno, JSON/XML Validation
Testing: UI Testing, Functional, Smoke, Regression, Integration, E2E, Cross-Browser Testing
CI/CD & Tools: Git, GitHub Actions, GitLab CI/CD, Jira, Zephyr Scale, Allure Reports
Languages: TypeScript, JavaScript, Java, SQL (Basics)
Methodologies: Agile, Scrum, Defect Management, Test Case Design
Domain: Salesforce Lightning, Oracle Applications, ERP & Integration Testing

PROFESSIONAL EXPERIENCE

Cognizant Technology Solutions Oct 2024 – Present
Programmer Analyst – SEG (Software Engineering)

Hela Automation – WMS to DMS Integration | Playwright | TypeScript | REST API | Allure

- Built a **Playwright TypeScript** automation framework from scratch using POM and reusable components.
- Automated **end-to-end WMS-DMS** workflows covering **UI testing, API, JSON, and XML validation.**
- Developed **smoke, regression, negative, and data-driven test suites**.
- Implemented **Allure reporting, screenshots, and traces for efficient test analysis**.
- Validated data consistency across integrated systems through **payload-to-UI verification.**

Sales Enablement – Salesforce Automation | Playwright | JavaScript | Salesforce | CI/CD

- Built a Playwr**ight automation framework for Salesforce Lightning applications**.
- Automated **functional, regression, smoke, end-to-end, and cross-browser scenarios**.
- Developed reusable **page objects, utilities, assertions, and dynamic locators.**
- Integrated automation execution with **GitLab CI/CD and GitHub Actions.**
- Debugged failures using **Playwright traces, logs, screenshots, and network analysis.**

Oracle Integration |Manual Testing

- Acted as a client-facing QA resource for testing coordination and reporting.
- **Designed test cases, test data, and scenarios from business requirements.**
- Performed integration testing**, API validation, defect tracking, and stakeholder communication.**
- Supported **Agile Scrum ceremonies** and cross-team collaboration.

Additional Projects

- **Customer Product Management – Functional, Regression & Integration Testing.**
- **OFSCE (Oracle Field Service) – Functional Testing, Defect Triage & Agile Support.**

EDUCATION

B.E. – Information Science & Engineering, P.E.S. College of Engineering, Mandya2020 – 2024

CERTIFICATIONS

- **Anthropic Claude Certified Architect – Foundations**
- **GitHub Copilot: AI-Augmented Quality Engineer**
